ADDITIONAL SKILLS

Bilingual Communication (English/Spanish)

Team Collaboration

Problem-solving & Analysis

ABOUT ME:

Passionate, researcher, and bilingual developer focused on creating web applications. My experience lies in transforming complex ideas into scalable solutions prioritizing user experience and performance. Known for delivering clean, maintainable code through modern development practices and design patterns driving business growth.

EDUCATION:

- B.S. in Informatics Engineering
  2019- Present
- Meta Front-End Developer Professional Certificate
  2024
- Meta JavaScript programming certification
- Meta HTML and CSS certification

KEY PROJECTS:

GymShock: Full-stack fitness platform featuring 1300+ exercises with practical videos from local database and external image API integration with secure RBAC Google Cloud OAuth2 auth flows, admin panel.

BibliotecaMunicipal: Full-stack library management with security (Arcjet DDOS protection, rate limiting), RBAC authentication, automated reporting with GraphQL. Production-ready security for municipal deployment.

WORK EXPERIENCE:

- Taurus services, Data Analist (2023 – Present)
– Developed and Optimized user responsive interfaces using React ecosystem
– API Consumption
